CONTACT FOOTBALL CAMP HOBART COLLEGE

Entering our 39th summer in business, Contact Football Camps are known worldwide and have been called the finest instructional football camps in the United States by coaches, pros and the media. Our coaches are our partners. As such, they have a major stake in providing camps of the highest quality; camps that are fun, that improve the skills of campers, create exposure for college scholarship opportunities and provide the backdrop to make new, lifelong friends. Named "Top Camp" in Sports Illustrated for Kids, the camp program features FULL CONTACT DRILLS AND SCRIMMAGES.

DIRECTOR

Directing this Contact Football Camp is Hobart College Football Team's Defensive Coordinator, Nick Grange. In 2013, Nick Grange joined the Hobart football coaching staff as the defensive coordinator. He came to Hobart following nine seasons at the University of Rochester, including seven as the Yellowjackets' defensive coordinator and recruiting coordinator.

At Rochester, Grange developed, organized, and directed all elements of the weekly game preparation for the defense, including daily position meetings and video analysis. In 2012, the Yellowjackets led the Liberty League allowing the fewest opponent first downs (164) and ranked second in red zone defense. A year earlier, Rochester was second in total defense (300.8 yds/g), rushing defense (120.1 yds/g), and red zone defense (72.4%). Hobart led the league in all three of those categories in 2011. In 2009 and 2010, Grange's unit led the conference in rushing defense. He has mentored one AFCA All-American, one Liberty League Defensive Player of the Year, and 23 All-Liberty League honorees.
